

PROJECT Houseworks

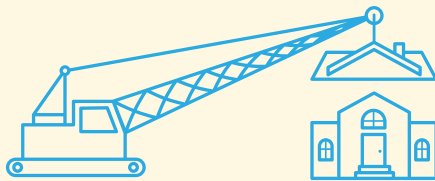

HOME SOLUTIONS FOR SENIORS

ANNUAL REPORT FY 07/01/2018 - 12/31/2018*

*Project Houseworks changed its fiscal year from July/June to January/December. This report reflects 6 months.

WHO WE ARE

Project Houseworks provides low-income senior homeowners solutions that allow them to stay safely housed in healthy environments, by delivering free, professional home repairs and home modifications.

WHAT WE DO

Project Houseworks assisted 120 low-income seniors by completing free professional home repairs in our last fiscal year.

120

The average home repair cost was \$4,750.

\$4,750

WHO WE SERVE

Average monthly income was \$1,470.34

34 were veterans

72 had disabilities

Average age was 73

QUALITY OF LIFE

The average monthly income of our 120 clients was \$1,470.34. All lived at or below 50% of the annual median income for Douglas/Sarpy Counties, struggling to pay for basic needs like food, medicine, and utilities.

GRATEFUL IMPACT

We are the only free home repair resource for seniors in our community. Our home repairs and modifications allow these homeowners to age in place with peace of mind for years to come. The average cost for our repairs is less than one month in a nursing facility.

SHORT FY 18 REVENUE: \$750,259

EXPENSES

Programs / Services	\$425,759 (81%)
Management / General	\$60,874 (11%)
Fundraising	\$42,730 (8%)
TOTAL	\$529,363
