

WHO WE ARE

Project Houseworks provides low-income senior homeowners solutions that allow them to stay safely housed in healthy environments, by delivering free, professional home repairs and home modifications.

WHAT WE DO

Project Houseworks assisted 214 Senior Homeowners, 285 total individuals, by completing free professional home repairs in our last fiscal year.

285

\$5,937

The average home repair cost was \$5,937.

WHO WE SERVED

Average monthly income was \$1,612.91

42 were veterans

120 had disabilities

73

Average age was 73

QUALITY OF LIFE

The average monthly income of our 214 clients was \$1,612.91. All lived at or below 50% of the annual median income for Douglas/Sarpy Counties, struggling to pay for basic needs like food, medicine, and utilities.

FY 19 REVENUE: \$1,325,641

EXPENSES

Programs / Services	\$1,072,047 (86%)
Management / General	\$142,363 (11%)
Fundraising	\$33,769 (3%)
TOTAL	\$1,248,179

GRATEFUL IMPACT

We are the only free home repair resource for seniors in our community. Our home repairs and modifications allow these homeowners to age in place with peace of mind for years to come. The average cost for our repairs is less than one month in a nursing facility.

Highly recommend us to a friend

"I knew at some point we would have to leave this home if something was not done. You came just in time! I talk to everybody that I can about your wonderful organization. I don't know what we would have done or where we would be right now if you had not come along. God Bless you all!"
