# ABOUT BRUSH UP

Brush Up is Project Housework's annual fundraising and volunteer event, supporting low-income homeowners in our community. Each year, more than 350 volunteers gather to provide much-needed exterior home painting services, enhance curb appeal, preserve property value, and instill pride and dignity in homeowners. Since 1995, thanks to the collective efforts of these dedicated volunteers, almost 1,000 homes have been painted since the event's conception.

## EVENT DETAILS

During the event, volunteers give homes a fresh coat of exterior paint and contribute to revitalizing neighborhoods. Painting is crucial in preserving a home's exterior by safeguarding the siding from weather, insects, dust, and moisture, which can cause mold, mildew, and rot. It offers volunteers a unique team-building experience while significantly impacting the community.

**The 2025 event is scheduled for Friday, August 15, and Saturday, August 16, 2025. In response to the increasing demand from our volunteer teams, we are adding a Friday Paint Day to our events.**
